**Subject:** Availability

Hello & Good Morning All,

Given that the MRO has a compliance seminar tomorrow and several of you have indicated that you will not be available for the weekly NSRS conference call and given that nothing is really pending to be submitted or voted on, this week's NSRS call (12/02/09) has **been canceled**.

Also, would anybody like to be the point of contact for the NERC project 2007-02 ("*Operating Personnel Communications Protocols*")?

Sincerely,

**Carol Gerou**
